Kia Ora all

There's been lots going on around the club-rooms in the last few weeks and there's more to come...

News:

Good turn out for the mid-month progressive on Tuesday with 24 players dodging heavy hail and thunder to get their games in.

The best Skip was Peter Lipsham, 2nd Skip Mike Wolfenden,
The best No 2 was Yvonne Lipsham, 2nd No 2 Bob Lee,
The best Lead was Lockie Prendergast, 2nd Lead Irving Semp

The event also saw Les return to playing after a break away from the green.

Mates'n' Bowls Finals night

Great atmosphere at the club the previous Tuesday night with the bowlers enjoying the camaraderie on & off the green. We found a winning team after 6 weeks of bowls with 3 Amigos; Nik, Greg & Steve taking home the winners trophy.

Runners up were [L.P.Gs](#); Lee & Paul with Val filling in tonight for Gail.

The winning costumes prize went to Nigel's Angels; Nigel with Rebekah & Jo.

Check out more photographs on our [Facebook page](#)

Many thanks to all the players, the team who worked to host the event, and our sponsors Ray White Glen Eden.

Natural green update

Last week the top green was tilled and levelled, and after a good rain fall on Tuesday it had compacted down very nicely for its last levelling off today,. Now it waits for the sowing of the seed which is scheduled for early next week. Feel free to contact Graham for further details (he's in the club handbook).
