## Kia Ora

The grass green may be closed for the winter but there's still lots going on down at the club with a working bee and tournaments coming up. Like most things around the club they get done through the help of members who volunteer their time and effort; be it on the executive, coming in mornings to do the cash up, marking up the green for social bowls, organizing social events, mowing the lawns, or any of the many the other things that need doing. If you'd like pitch in and help come along for the working bee on Saturday, or have a chat with an exec member and find out how you too can support your club; they tell me it does wonders for your game!

## Acknowledgements

Jane Fenton would like to thank all of you who sent cards and kind messages after the loss of her husband Laurie. There were too many for Jane to reply to, but she wants you to know that they were very much appreciated.

Also a big thank you from Fay to everyone for returning their trophies so promptly, it makes the job of getting them ready for prize-giving a lot easier to have them all back well ahead of the prize-giving.

## Important Notice

The Executive wish to advise you that the club rooms will be closed to all members from 3:00 pm onwards on Tuesday 4th June due to a film company hiring the venue. We would like to apologise to our regular patrons for any inconvenience this may cause and thank you for your understanding in this matter.

The Tuesday roll up that day will continue as normal.
