## Kia Ora

The club played host to the final night of the spring season of Mates 'n' Bowls3Five on Thursday 7 November, kindly sponsored by Lindsay Hooke from Barfoot & Thompson.

Yvonne and her team of volunteers put on another great evening of bowls and socializing, with the players entering into the spirit with some striking costumes. Prizes for the fancy dress went to the Whiskey Orchids, Fanatical Fisho's, Shore Thing, Jack or All Trades, lost in Space, and the M.F.B.s

The 1st place honours on bowling went to team Lost in Space; Don, Catman and Jo.

2nd: were Comfortably Numb - Robin, Rooster, Dean and Paula; and 3rd was Just Cruis'n - Ivan, Thomas and Amber

Congratulations to them and all the other players, and thanks to our sponsor Lindsay, and the team of helpers who prepare the food and make sure things run so smooth.

For more photographs from the evening visit the club's website, and the winner's speech is up on the club's facebook page.

## Junior interclub report

Over the last 5 weeks Glen Eden entered 2 teams this season's interclub; a gold team primarily of 4th year bowlers Paul, Richard and Steve alongside a Silver team of 1st and 2nd year bowlers: Colin, Brian & Les.

On the 1st Thursday game the Gold Team played the silver team with the Gold team coming up victorious thanks to Richard's last bowl of the game doing the "Glen Eden Glide" and resting on the jack for the win.

Week 2 both teams lost - Gold against Henderson and Silver against Balmoral. The 3rd week gold team back on winning way

against New Lynn, Silver another close loss to Pringle Park.

The 4 week both teams won, Gold against Pringle Park and silver against New Lynn

On week 5, with the Gold team needing to beat Balmoral unfortunately it was a real bad night at the green and all 3 players were out of form. The Silver Team entertained the home supporters with a mix of great bowls and humour. (No Les, we will not mention you wearing black pants) but they lost the tie breaker to Henderson.

A huge thank you to all players who turned up each Tuesday and Thursday. To my wonderful assistant Sosianna and Janet for being coach/manager of each team, and to Lee for supporting Glen Eden on away games, and finally Nigel the Chippie Man. Thanks you all.

## Countdown to 2022

The club has its centenary in 2022 and we need club members to put their hand up and give us a hand with the celebrations. Darren has started scanning photographs from the club archives—you can see some on the smart-screen in the clubroom—and writing up the history of the club on the club website. If you have any photos or documents of the club from years past please bring them in so Darren can make copies and make use of them to celebrate the story of our club.

*All the best for the festive season!*
