When did you join the club?

I joined the Ladies Club in 2000, then of course we amalgamated with the men's club in 2004.

What made you join?

My Mother Iris Gash, played at the ladies' club, was a past president and Life member, I was ready to have a change from tennis and still wanted something competitive. I was fortunate to get to play in a few competitions with my Mum before she passed in 2002.

What bowl do you play with?

I am on to my second set of bowls which are Vector VS, my first set were Classic two's, both second hand.

Biggest bowling achievement?

In my first year I entered the Auckland Junior Singles and lost in the final to a 5th year player. I thought this is an easy game to play and have been going downhill since. Enjoyed playing in the Auckland Junior Rep team with 3 or 4 others from Glen Eden, where we won several regional tournaments.

What do you love about the club ?

It is like a second home for me, I have had association with the club since I was a young child, With Dad, Roy Gash being president 1966 - 68, husband Peter president 1987 -89 . and both life members. I appreciate the hard work previous members have put into the club and I enjoy the camaraderie and working together with like-minded members.

Favourite thing about bowls?

I enjoy the people, the competition, the banter, and the clubhouse at the end of play.

Your tips for new bowlers?

Get coaching, and get the most out of your junior years, listen and learn.

Best club you have played at?

Glen Eden of course.

What is your favourite competition?

Inter club, I like the team atmosphere and club house get together afterwards.

What is the funniest/oddest thing you have seen happen on a green?

Mmmm would it be the cat carrying a mouse across the green in front of intrigued players. Or maybe a possum being carried live out of the club rooms in front of Auckland Bowls players and dignitaries. Always plenty of laughs to be had on the green but not any I can think of that relate well in the retelling.

Goals for the next season?

Not so much for myself, but for the club, to keep moving forward we need an injection of new members. Our group looking after the Juniors & coaching are doing a great job in this respect and it is so important. I wish we had more willing members to put their hands up, to build on what we already have and help the club to prosper.
